VITICULTURE

Rosé de Noirs is crafted from the finest handpicked Pinot Noir grapes, grown at the Roman Villa vineyard, in combination with a small parcel of carefully selected Pinot Précoce grapes grown at our Roebuck vineyard.

VINIFICATION

Carefully selected bunches were gently whole bunch pressed and partially fermented in old Burgundian barrels before a minimum of three years lees-ageing in bottle. A splash of Pinot Précoce was added as a still red wine at disgorgement giving a pale pink tone and attractive wild berry notes to this wine.

FOOD MATCHING

Perfect with smoked salmon, freshly caught lobster and hand-dived scallops. Equally, delicious as an apéritif or an ideal accompaniment to Afternoon Tea.
