TASTING NOTE

Lychee, honeydew melon, lime, chamomile notes. Lively and fresh on palate, with lightness and weight to the mouthfeel.

VINEYARD

Prizing the Sauvignon Blanc grown in Sonoma for its freshness and vibrancy, we invested in two estate vineyards as part of our long-term vision for this wine. These vineyards, combined with select warmer sites in Napa County, offer abundant sunshine yet moderate temperatures

VITICULTURE

Each variety ripened in text book order, with Sauvignon Blanc being the first grapes picked around mid-August. Sustainable farming practices used throughout the growing season were tailored to each block with the assistance of aerial photos produced using NDVI technology. Picked at night.

FOOD MATCHING

Our favourite pairings for this wine include Persian herbed omelette, green curry, and fried fish tacos.
