TASTING NOTE

Distinctive pale-copper colour; aromatic with delicate citrus notes; crisp and refreshing on the palate.

VINIFICATION

Soft pressing with skin maceration for a short time at controlled temperature. Only when the skins have transferred the desired colour nuance, they are softly pressed. The must is then clarified, selected yeasts are added and fermentation at controlled temperature starts.

FOOD MATCHING

Great to sip on its own, pair with light summer fare or introduce some spice with Asian inspired dishes.
