Stargazer

Pinot Noir 2023

RED STILL WINE | AUSTRALIA | TASMANIA | SUITABLE FOR VEGANS

TASTING NOTE

Silky Pinot Noir from Australia's coolest state, fruity in the mouth and spicy on the nose, so that wild raspberry and rhubarb are harmonised with star anise, Chinese five-spice and cinnamon.

VITICULTURE

Located on brown dermosol soil over jurassic dolerite, the igneous rock which gives over half of Tasmania its distinctive geological formations (think the rocky outcrops on the Tasman Peninsula). The soil is particularly high in calcium which is a positive indicator for quality grapes, being associated with thicker skins and slower ripening.

FOOD MATCHING

A subtle style that would work with slow cooked lamb braises with middle eastern spices.
