VITICULTURE

The Dog Strangler Mataro is sourced predominantly from vineyards in the Northern Barossa. These vines have an average age of 25 years, and tend to yield with moderate crop levels of highly flavoured fruit. Due to it's natural upright growth habit, Mataro vines embrace the full sun in the Barossa and are some of the latest blocks harvested each vintage.

FOOD MATCHING

Dishes that highlight the wonderful spice elements, including game and slow cooked meats.
