RED STILL WINE

SOUTH AFRICA

WESTERN CAPE

SUITABLE FOR
VEGETARIANS

TASTING NOTE

Forceful South African Cabernet, full of black cherry, blackcurrant and chocolate on a background of warm, toasty oak, freshened by a breath of mint.

VITICULTURE

Sourced from selected parcels planted between 1998 and 1999 in Hutton soils (decomposed granite) at a density of 3200 vines per ha. Vineyard practices include vertical hedge trellising, pruning to 2 bud spurs every 15cm and supplementary drip irrigation.

FOOD MATCHING

The intense berry fruit in this wine make it an excellent partner to dishes like roast turkey or try with a fine piece of British beef.
