NAPA VALLEY

TASTING NOTE

This blend produces one of the most compelling examples of Napa Valley wine, with the Cabernet Franc bringing exotic spice notes and floral aromas, and the Cabernet Sauvignon providing weight, structure, and a deep, rich, black fruit character.

VITICULTURE

the vineyard has well-drained, gravelly soil that allows the vines to root deeply to find precious moisture and nutrients. The broad diurnal temperature shifts and reliable sun, wind, and fog provide the ideal blend of growth and rest for complex flavor development.
