RED STILL WINE

OF AMERICA

NAPA VALLEY

SUITABLE FOR
VEGETARIANS

TASTING NOTE

While not overly ripe or extracted, the wine has remarkable freshness, texture, richness, and length. Four extra months of barrel aging give it a high level of polish and a silky finish.

VITICULTURE

Sited between the sheltering Vaca and Mayacamas mountain ranges deep in the valley, the vineyard has well-drained, gravelly soil that allows the vines to root deeply to find precious moisture and nutrients. The broad diurnal temperature shifts and reliable sun, wind, and fog provide the ideal blend of growth and rest for complex flavor development.
