Toku Sake

Junmai Daiginjo Sake 72cl

APERITIFS JAPAN SUITABLE FOR VEGANS

TASTING NOTE

Toku is almost transparent with pale gold hues from its extended cold aging. Vibrant aromas of grapefruit, pomelo, green apple, and pear are balanced by richer notes of pineapple, plum, apricot, and honeydew melon, with creamy umami and toffee undertones. On the palate, it offers bright freshness, velvety texture, medium+ body, and a complex, evolving finish

FOOD MATCHING

Seafood, sushi, light stir fries. A real treat to enjoy as a stand alone, makes a wonderful aperitif.
