TASTING NOTE

Smooth, fruity Malbec, packed with blackberries and black plums, with a touch of fresh mint and a pungent dusting of cloves.

VITICULTURE

Fine textured soil profile at around 950m above sea level encourages excellent water retention and drainage, allowing the vines' roots to absorb water and become much more self-sufficient. As a result, this wine is smooth & fruity with medium tannins and a defined structure.

FOOD MATCHING

Ideal with grilled saddle of rabbit with bacon, fresh pine mushrooms and polenta.
