Susumaniello Rosé del Salento 2025

ROSÉ STILL WINE

ITALY

PUGLIA

SUITABLE
FOR VEGANS

VITICULTURE

The vineyards are cultivated in Puglia's warm Mediterranean climate, where abundant sunshine, sea breezes and well-drained soils provide ideal conditions for the Susumaniello grape. Careful vineyard management, including controlled yields and sustainable practices, helps preserve the natural freshness, aromatic complexity, and distinctive character.

VINIFICATION

The grapes are gently pressed to preserve freshness and aromatic intensity, followed by controlled fermentation at low temperatures in stainless steel tanks. The wine remains on its fine lees for a short period to enhance texture, balance and complexity before careful clarification and bottling, preserving its vibrant fruit character and elegant structure.

FOOD MATCHING

To be paired with typical Apulian fish dishes, white meats and cheeses.
