RESIDUAL SUGAR 1.4g/l

SKU H8246122

STILL WINE

FRANCE

BURGUNDY

SUITABLE FOR VEGANS

TASTING NOTE

A bouquet of white flowers and citrus, warm notes of hazelnut, almond and vanilla becoming more prominent with age...this Burgundy is an aromatic treat.

VITICULTURE

The vines are planted exclusively on hillsides, at the foot of the Solutré and Vergisson Rocks. The soils are on a diversity of bedrock, the main one being limestone, with exposures differing according to the patchwork of plots.

VINIFICATION

Pneumatic pressing is used to enhance smoothness, temperature-controlled fermentation, analytical monitoring of the vats and strict requirements for the quality of the barrel wood: Pouilly-Fuissé is made with the greatest of care and stringent selection of the vat contents.
