

Vignerons des Terres Secrètes

# Saint-Véran, Les Préludes 2023

WHITE  
STILL WINE

FRANCE

BURGUNDY

SUITABLE  
FOR VEGANS

## TASTING NOTE

The colour is a deep delicate gold. The nose blends aromas of fruits (peach and pear) and white flowers (acacia and honeysuckle). The full fleshy mouth is balanced by an elegant freshness.

## VITICULTURE

The vines spread out at the foot of the famous Solutré Rock. Clay-limestone soils, excellent for the vines which find adequate moisture.

## VINIFICATION

Sorted harvest, painstaking vinification of the essence from the press and blend of juices. Aging in temperature-controlled vats on lees for 12 months.

## FOOD MATCHING

It is perfect before a meal but also with white meat, fried fish, goat's cheese and ripe cheeses.
