TASTING NOTE

On the nose, this white wine combines gooseberry, exotic fruit and peach. The palate is rich and generous, with a fresh, tasty finish and a fruity after-taste

VINIFICATION

At their arrival in the cellar, the grapes are destemmed and introduced to stainless tanks, to undergo a 12-hour cold maceration for skin contact. Varietal aromas are mostly extracted at this stage. The grapes are then gently pressed, and the juice settles for two days before being racked. The juice is coolly and slowly fermented for about 3 weeks.

FOOD MATCHING

An ideal accompaniment for light appetizers, fish, and seafood.
