# Carmenere - Syrah Gran Reserva 2021

RED STILL WINE

CHILE

ELQUI VALLEY

SUITABLE  
FOR VEGANS

## TASTING NOTE

A unique blend which really works, revealing nuances not apparent in the single-variety wines. It's forward, easy-going and highly drinkable, with a delicious roasted tomato / red pepper note. The texture is mellow and harmonious, and it is less 'in your face' than the Carmenere Gran Reserva, with good palate length.

## VINIFICATION

Grapes from three vineyards of the Elqui Valley were hand-picked, de-stemmed and crushed separately. Some of the Carmenere was first air-dried before adding to the Syrah and the rest of the Carmenere. After ageing in barrels (40% of the volume for 6 months) and stainless steel, the were blended three months before bottling.

## FOOD MATCHING

Best served with grilled or roaste red meats such as lamb.
