RED STILL WINE

CHILE

CACHAPOAL

SUITABLE
FOR VEGANS

TASTING NOTE

Deep ruby red with a nose of intense aromas of fresh red fruit like cherries, intermingled with a subtle note of oak that is perfectly integrated in the wine. Good acidity balances this wine with a concentrated palate that achieves a good balance between the alcohol level, body and tannins. Smooth texture and a long finish.

VITICULTURE

Drawn from the starlit Andes sky, Tarapaca's vineyards flourish in the Cachapoal Andes Valley, shaped by ancient volcanic forces and earthquakes. Cab Sauv and Franc thrive in mineral-rich volcanic soils, delivering structured wines with unique minerality. The vineyard, 110 km south of Santiago, offers slopes and gravel deposits, yielding 5/600 tons per year.
