Vins Petxina

Blanc Vi Natural White Organic 2022

[Image not available]

WHITE STILL WINE | SPAIN | CATALUNYA | ORGANIC | SUITABLE FOR VEGANS

TASTING NOTE

Sparkling wine from northern Spain, packed with apples and pears and boasting a warm fragrance of fresh-baked brioche.

VITICULTURE

Traditional and organic viticulture. We follow the classic "farmers' calendar", very used in the area of Catalonia to decide when to make the works in the field. Manual green pruning and for most of the harvest. We take into consideration the moon cycle for the pruning and the rest of the works in the vines, as we leared from our ancestors.

VINIFICATION

Traditional vinification using yeast from the vineyards. No addition of SO2 nor any other additive. We only use the grapes to make this wine. We add some lees inside the bottles as they are antioxidant. The wine is not fined nor filtered. We use the latest téchnology to have a better performance of traditional téchniques.

SIZE	75cl
VINTAGE	2022
ABV	12%
GRAPE VARIETIES	Xarel·lo (100%)
