RED STILL WINE

AUSTRALIA

COONAWARRA

SUITABLE
FOR VEGANS

TASTING NOTE

Elegant and silky, with generous mulberry and blackberry notes. Delicate oak is used to match and support the fine palate structure, without dominating its distinctive cool climate character. The finish is drawn out with hints of cedar, nutmeg and fragrant bay leaf. This is a beautifully balanced wine ready to enjoy now or cellar in the medium term.

VITICULTURE

Coonawarra is perched on a low limestone dune, situated 80 kilometres from the sea. This highly sort after location, has intensely red terra rossa soils running in a narrow 20-kilometre strip from Penola in the south to Glenroy in the north.

VINIFICATION

The regions international reputation comes from this regionally specific terra rossa. The unique combination of this rich red soil and a cool southerly climate is optimal for growing intensely flavoured grapes.

FOOD MATCHING

Smoky grilled meats and veggies.
