# The Gables Cabernet Sauvignon 2021

RED STILL WINE

AUSTRALIA

COONAWARRA

SUITABLE FOR VEGANS

## TASTING NOTE

Intensity and iridescent brightness demand notice, a hallmark of the selected vineyards and the maturation in vats. Dark brooding blackberry, cherry, plum and thyme, meshing with savoury fine cedar notes. Soft but succulent acid and superfine tannins make this wine flow.

## VITICULTURE

Coonawarra is perched on a low limestone dune, situated 80 kilometres from the sea. This highly sort after location, has intensely red terra rossa soils running in a narrow 20-kilometre strip from Penola in the south to Glenroy in the north.

## VINIFICATION

The regions international reputation comes from this regionally specific terra rossa. The unique combination of this rich red soil and a cool southerly climate is optimal for growing intensely flavoured grapes.

## FOOD MATCHING

Think smoky charcuterie board, salty cheeses, gently grilled meats, spicy smoky prawns. Versatile and satisfying.
